Dear Friends,

We are so excited to gather with you – in person – this October! What a welcome relief it will be to see your smiling faces.

I hope you will consider joining us – your fellow Christian attorneys, law students, judges, professors, family, and friends – as we venture to the beautiful San Antonio River Walk for a wonderful time of fellowship, food, and learning.

We have lined up some incredible main speakers for this year's conference, including Lee Strobel, James K.A. Smith, and Professor Ruth Okediji. Joining them, as always, is an incredible lineup of workshop speakers.

I know you will be blessed, as well as educated, throughout the weekend. After such a trying 2020, I know many of you are excited to get back to in-person community. Our team joins you in that desire, and I sincerely hope you can join us in San Antonio.

I encourage you to visit CLSConference.org for additional information about this year's conference and its accompanying events. You can also register for the conference and navigate to the hotel's room registration site at CLSConference.org.

If you have any questions, please do not hesitate to email us at clshq@clsnet.org.

I am very much looking forward to seeing you this October.

David Nammo
Executive Director and CEO
